Liz,

I have no comments on the draft letter to SDP, SDP LOA, SMT LOA, and budget. The CEP is obviously out of date and needs revision. I didn't take the time to propose any edits to it at this time.

Like Bob and Roz, I have no edits to the proposed instruction to the SDP regarding their review of the Exponent report or the two proposed LOAs. And the SEP 14 budget update and the existing CEP also are appropriate for sending, though we all see that the latter needs updating beyond the addition we've discussed and that I'll draft that will give the SDP some discrete role in the CEP implementation justifying assignment to them of some funds currently committed to the CEP category. Thanks.
